

**E.A.G.L.E** is a new organization forming in the greater Huntington WV area dedicated to providing exciting learning opportunities for the entire family. If you are a homeschool parent with a special passion or skill, please consider teaching a class! We will be having a teacher's meeting on Nov. 13th at 2:00pm at the former Spirit of Victory Church on Rt. 60 in Barboursville. (Next to Hardee's). Remember, this is a great way to offset some of the expense of the classes your children are taking! Even if you're not sure about teaching a class, come and hear more about the E.A.G.L.E. program!

#### COSTS:

- A registration fee - \$25.00 - to cover costs of the building & E.A.G.L.E.'s misc. expenses
- \$5.00 per class, per child - to be collected by individual teacher
- If your child takes 5 classes, it will cost \$25.00 (plus registration fee). If you teach 10 students, you will recoup that \$50.00.

All fees are per term, not per week.

#### PURPOSE

- To provide all homeschooled children with the opportunity to participate with others in group settings, thereby taking advantage of each other's strengths and experiences.
- To enable homeschooling families to form supportive relationships with other homeschoolers

**Our vision** for this program is to become a one stop shop for the majority of the activities that are happening throughout our area. Right now we have Project Day, Science Club, T.H.E.M.E. Band, Spanish Classes, 4H, Boy Scouts, Girl Scouts, and many others all meeting on different days of the week, different times, and different places. We're spending more time away from homeschool than IN HOMESCHOOL!!!

Wouldn't it be nice if all these things happened on the same day, in the same place? Wouldn't it be great to be able to commit the rest of our weeks to only educating and nurturing our kids? That was the whole idea in the first place. Right?!!

**Class time:** For now our classes will be held on 2nd and 4th Thursday of each month. By next fall we hope to expand to every week.

### ENROLLMENT AND REGISTRATION

You may register for one, two, three or all classes; you do not have to register for all day. Classes are not guaranteed, due to either class size or the cumulative nature of some classes.

- Classes will be determined & established by the registration day in mid-December.
- Classes may also be available for adults, so parents could look at this as a learning opportunity for themselves, as well as their children.
- We have a location on Rt. 60 E. in Barboursville, but we can & will change locations if we can find a building (church, etc.) that has a gym & kitchen (or eating area) where we can have at least 7 classrooms.
